Please read the parent expectations in our [Philosophy, Etiquette and Code of Conduct](#).

Tournaments are demanding days for coaches, and decisions are not always clearly understood by spectators. Please refrain from approaching coaches with questions about decisions during a tournament. We encourage players to discuss issues with coaches directly. If a situation is unresolved, wait a day or so before contacting the coach.

I have read the parent expectation and agree with this approach

As you know, we are a small club and the coaching staff does all the administrative work for the teams. The more parents are involved and help with other activities, the more the coaches can focus on coaching. Besides, getting involved in club activities is often fun! Please list some of the activities that you would consider helping with:
